(1) Exceeding the lawful speed limit is neither recommended nor endorsed.

(2) Overall widths will change 0.1 inch (2.5 mm) for each 1/4 inch change in wheel width. Minimum dual spacing should be adjusted accordingly.

(3) 4 Year / 1-Retread Limited Casing Guarantee when retreaded by an authorized Michelin Retread Technologies (MRT) Dealer or an Oliver Retread dealer. See limited warranty for details.

## DuraShield® CONSTRUCTION

Uniroyal's unique features of pyramidal steel belt construction, insulating belt edge strips, and heavy gauge inner liner combine to deliver the durability and retreadability you want in a truck tire.
