

# GOODYEAR® RT-3B

## GOODYEAR'S BEST 115-LEVEL RADIAL TIRE FOR ALL-AROUND PERFORMANCE ON LOADERS AND GRADERS

The Goodyear RT-3B is engineered for balanced traction and treadwear in a variety of underfoot conditions and equipment types. This radial tire features a deep tread depth and wide tread width to promote long hours to removal and a stable ride. Its steel belted casing offers exceptional retreadability. Hi-Stability Technology enhances driver confidence by reducing bucket sway in loading operations.

# GOODYEAR® RT-3B

**CENTERLINE LUGS AND OPEN SHOULDER** provide cut resistance while maintaining traction

**115-LEVEL TREAD DEPTH** promotes low heat generation and long hours to removal

**HI-STABILITY TECHNOLOGY** stiffens the sidewall to reduce bucket sway and increase driver confidence in loading operations†

**RADIAL CONSTRUCTION** promotes a softer ride, improved treadwear and enhanced durability

**HIGH-TENSILE STEEL BELT PACKAGE** offers cut resistance and enhances retreadability

†Available in 23.5R25, 26.5R25 and 29.5R25 only
